¡El Dios de Milagros! The God of Miracles!

The Lord JUST KEEPS WORKING, despite the challenges! Our God is a God of MIRACLES!

We had recently asked you all to be in prayer regarding the provision of the funds needed for the purchase of a new meeting space for our church family, and we have great news....ALL FUNDS NEEDED HAVE BEEN PROVIDED FOR! YES! ALL FUNDS! Thank you for giving toward and praying for this need. We needed a total of about \$100k, and we saw God raise about 1/2 of the amount we needed, and were thrilled to have enough to be able to apply for a loan for the rest. But then He provided another \$25K matching gift donation toward this effort, and WE WITNESSED HIM RAISE UP THE ADDITIONAL \$25k IN A MERE 17 DAYS! You guys, God IS ON THE MOVE here in Spain!

Although this building is nothing more than four walls, this building represents a space where we will be able to legally gather as a church family to bring Him fame. It represents a location where our church can intentionally engage our community through children's events, life groups, craft nights, counseling sessions, youth outreach, discipleship meetings, and the list goes on! However, now that the money to purchase this building is ready, the owner is not. Would you pray with us that all the legal details will be accomplished ASAP so we can begin making this space our church HOME?

TGTG2020 ---ThanksGiving To-Go! Get it?!

We're currently in the thick of our annual Thanksgiving outreach event! WHOOH! Do we have restrictions? Absolutely! Will it be the same as other years? Nope! Is God still good? Yup! Is turkey still delicious? Yup! Can we still hope to reach people through this event? By the power of Christ in us, absolutely! We're making Thanksgiving baskets To-Go! *Please pray over the recipients of these baskets with us.* These baskets will contain an entire Thanksgiving meal for 6, PRE-COOKED! The hosts are simply responsible for reheating the food and providing the drinks! **Each one of our church family members are trying to fill their home (up to the legal 6 person limit) with as many non-believers as they can.** We're praying for all the neighbors, coworkers, friends, and family members that will be hearing the Gospel through a devotional we'll all be participating in during the meal. *Would you join us in prayer for this weekend, and the opportunity for salvation that many will have over the next few days?*

Thanksgiving has always been one of our favorite holidays, and this year is no exception. We're thankful for YOU! Your faithful love, prayer, and support of us encourages us daily to keep running this race God has called us to. HE is FAITHFUL..

Through His Grace and Nothing More,
The Casey Family
