July 2020

Freed Up Some!

Well, things are **finally** starting to open up here in the Province of Quebec. It was good to finally get a haircut again! Pharmacies and grocery stores were never closed, but everything else was required to close. **So**, getting that haircut was nice! Still, there are a lot of things to do to protect ourselves, which is wise!

Feeling the Strain!

We were **finally able to hold services again**. The numbers were down, but everyone that came was glad to meet again. We are still having live video of our services as some are still unable to come because of their age. I sure hope that it is not out of habit to stay home!

Our offerings have not suffered too much, but they are lower than before the COVID crisis. I am sure that they will get back to normal, once folks are **ALL** back to work!

Yvan Rancourt!

Mr. Yvan Rancourt, for whom I asked you to pray for him concerning his health, left this earth to be with his Lord and Saviour last week. He was only 66 years old. He resigned from the ministry in the late 90's and was a professional photographer. **His friendship and smile will be missed!** Pray for his family: wife **Pauline** and children **Sébastien, Samuel** and **Suzanne**.

Victory Continues!

We also were able to meet with our **English ministry folks** last Sunday, July 5th. Everyone was excited to meet again. All of our faithful folks were present, and we had a good time in the Lord. **Please continue to pray for the following people:**

Shannon has had two toes removed because of poor circulation. Pray for him to make that necessary changes to improve his health!

Marc, who is handicapped since the age of 15 and in a wheelchair, has another serious bed sore that is hindering him from a lot of normal life, and the pandemic did not help!

Sabrina, Shannon's daughter, is really struggling with alcohol addiction. She believes that she is saved, but there is no real evidence of it. She is starting to get her life together; she has found a good job and has an apartment, but she really needs to seek the Lord fully.

Other than that, pray for the salvation of the following people:

Mark, Lee, Jessica and Michelle Donovan and their families. Also, **pray for Joan, Tommy & Donald Stevenson**. And, don't forget to **pray for the Jacques Family: Timothée, Marcel and all included there**.

A Long Way to Go!

There is much that needs to be done to resolve the COVID-19 problem; **pray for a solution!**

Not Enough!

While we had the privilege of modern technology to do the live video services, **it was not enough**. One of the reasons for the local church is the **fellowship** among believers to **encourage, edify and exhort each other in the faith**. While the videos were good, folks **really** missed the fellowship around the service times. We have some folks that want to be more involved in planning activities, as **Caroline & Steeve** (not a typo) in early August; we're having an "épluchette de blé d'Inde", a corn roast.

Moving Forward!

We have also had the opportunity to renew our witnessing activities, though we had not really stopped! **Pray for that!** I met yesterday, **André Richard**. He is retired and has a had monetarily prosperous life, but he said that his life still lacked something. **He needs the Lord Jesus!**

Pray for the salvation of: Krystelle, Marie-Josée, André, André-Philippe, Philippe, Hélène, Julie, Jean-Philippe, Paul, Audrey, Josué, Joseph, Raymond, Natalie, as well as those to whom we will witness!
